SOLID COLORED URETHANE MORTAR FLOOR SYSTEM

system
341

WEAR-GUARD 341 is a 1/4" troweled chemical-resistant urethane mortar, specifically formulated for areas which experience large temperature swings and constant thermal cycling. Available with a proprietary crack suppression reinforcing system (PN 1244).

COMMON APPLICATIONS

Floor areas where durability cleanability and thermal shock are all critical performance characteristics. Typically installed over clean prepared concrete. Specific applications include, but are not limited to: institutional and correctional kitchens, food and beverage manufacturing, cage wash areas, vivariums, and clean rooms.
