

Color Packs for Concrete Overlays

[Durável Overlay Color Packs](#) are formulated for use in any Durável overlay bag mix or repair mortar. Pure iron oxide pigments permanently color the overlay for a range of design applications. Overlay Color Packs are conveniently packaged in pre-measured ready-to-use sacks for consistent color results across the entire project. Simply add the contents of one Overlay Color Pack while mixing the overlay.

Product Advantages :

- **Pre-Measured Color For Overlays**
- **Consistent Color Results**
- **UV-Stable Iron Oxides**
- **Dry Pigment = No Mess**

Pre-Measured Sacks

Add one Overlay Color Pack to one bag overlay

Select from 25 designer colors

Coverage:

Add the contents of one Overlay Color Pack per bag of overlay mix.

Directions for Use:

Mixing Instructions:

Follow mixing instructions of the selected Durável bag mix. Pour the entire contents of the Overlay Color Pack sack into the mix water and blend thoroughly before adding the overlay product. For consistent color results across the entire project do not attempt to blend partial batches.

Storage:

Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up.

Disposal:

Recycle and/or dispose of contents and containers in accordance with local, regional, national, and international regulations.

Shelf Life:

Up to one year from original manufacture date when stored in its original, unopened container at room temperature. May be extended with reasonable care.

Limitations:

This product is not intended for public use and is intended for use by qualified contractors and installers with proper experience and training in the use of these products, and that have read the complete safety data sheet. Apply product only when substrate and ambient temperatures are within the accepted range.

FOR PROFESSIONAL USE ONLY

Safety Instructions:

For Professional Use Only

Keep Out of Reach of Children and Animals

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if breathing becomes difficult. IF ON SKIN (or hair): Wash contact areas with plenty of soap and water. Remove contaminated clothing and shoes. Launder contaminated clothing before reuse. If skin irritation occurs: Get medical attention. IF IN EYES: Immediately flush eyes with plenty of water for 10 minutes, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. If irritation occurs, get medical assistance. IF SWALLOWED: Wash out mouth with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Stop giving water if the exposed person feels sick as vomiting may be dangerous. Get medical attention if symptoms occur.
